## Press Release

### **Standing Victorious: Young Anti-Bullying Speaker Shares Story of Overcoming**

**Savannah, GA—(Month, date, year )** 22-year-old anti-bullying speaker, Victoria DiNatale, will address students at XX High School on X X XXXX. In her assembly, she will share her personal experiences with bullying— continuous torment which led to Post Traumatic Stress Disorder and severe ripple effect consequences on her health.

Through her message, “Standing Victorious,” DiNatale will teach students that they have power to overcome bullying and rise victorious over bullies. She will also emphasize the hope and help available to them and that suicide is *never* an option.

For more information about DiNatale’s “Standing Victorious” message or to schedule an interview with her, call 912.695.2813 or visit <http://www.standingvictorious.com>.

#### **About Victoria DiNatale**

Victoria DiNatale is one of the nation’s youngest experts on the topic of bullying. At 22 years old, she has shared her unforgettable anti-bullying message with thousands of students and adults across the southeastern United States. It is Victoria’s passion to curb bullying combined with her enthusiastic stage presence that has inspired bullies and bullying victims everywhere to seek help and stop cold in their tracks. Called a “motivational powerhouse,” Victoria delivers these students a dynamic presentation of hope, help, and perseverance.
